

## Fill in the gaps

And now the end is near		
And so I face the final curtain		
My friend I'll say it clear		
I'll state my case of which I'm certain		
I've lived a life that's full		
I (1) each and every highway		
And more, much more than this		
I did it my way		
Regrets I've had a few		
But then again too few to mention		
I did what I had to do		
And saw it through without exemption		
I planned (2) charted course		
Each careful step along the byway		
And more, much more than this		
I did it my way		
Yes (3) were times I'm (4) you knew		
When I bit off more than I could chew		
But through it all when there was doubt		
I ate it up and spit it out, I faced it all		
And I stood tall and did it my way		

I've loved, I've (5)	and cried	
I've had my fill, my share of losing		
And now as (6)	subside	
I find it all so amusing		
To think I did all that		
And may I (7)	in a shy way	
Oh no, oh no, not me		
I did it my way		
For what is a man what has he got		
If not himself then he has not		
To say the (8)	he truly feels	
And not the words of one who kneels		
The record shows I took the blows		
And did it my way		
Yes it was my way
