

Fill in the gaps

Please understand	I'm (12) with the need to
This isn't just goodbye	Curse my (13) forever
This is I can't stand you	Let's (14) our wrists and burn down something
This is where the road crashed (1) the ocean	beautiful
It rises all around me	This desperation leaves me overjoyed
And now we're (2) breathing	With (15) (16) (17)
A thousand faces we'll choose to ignore	lead us past the lives that we destroy
Curse my (3) forever	Curse my (18) forever
Let's slit our wrists and burn (4) something	Let's slit our (19) and burn down
beautiful	(20) beautiful
This (5) leaves me overjoyed	This desperation is leaving me overjoyed
With fading lights that lead us past the lives (6) we	With fading lights that lead us past the lives that we destroy
destroy	Please understand
I listen to you cry	Lay rotting where I fall
A cry for less attention	I'm dead from bad intentions
But both my hands are tied	Suffocated and embalmed
And I'm pushed (7) the deep end	And now all our dreams are (21) in
I (8) to you (9) but talk is cheap	You swore you wouldn't lose then lost (22) brain
And my mouth is filled with blood	You make a (23) (24)
From trying not to speak	(25) like pain
So search for an excuse	So please understand
And (10) to believe you	This isn't just goodbye
In foreign (11) rooms	This is I can't (26) you
