

Fill in the gaps

No It Isn't by Plus 44

Please understand
This isn't just goodbye
This is I can't stand you
This is where the road crashed into the ocean
It rises all around me
And now we're barely breathing
A thousand faces we'll choose to ignore
Curse my enemies forever
Let's slit our wrists and burn down something beautiful
This desperation leaves me overjoyed
With fading lights that lead us (1)_____ the lives that we
destroy
I listen to you cry
A cry for less attention
But both my hands are tied
And I'm pushed into the deep end
I listen to you talk but talk is cheap
And my mouth is filled with blood
From trying not to speak
So (2)_____ for an excuse
And someone to believe you
In foreign dressing rooms

I'm empty with the (3)_____ to
Curse my enemies forever
Let's slit our wrists and burn down something beautiful
This desperation leaves me overjoyed
With fading lights that lead us past the lives that we destroy
Curse my (4)_____ forever
Let's slit our wrists and burn down something beautiful
This desperation is (5)_____ me overjoyed
With fading lights (6)_____ lead us past the lives
(7)_____ we destroy
Please understand
Lay (8)_____ where I fall
I'm dead from bad intentions
Suffocated and embalmed
And now all our dreams are cashed in
You swore you wouldn't lose then lost your brain
You make a sound that (9)_____ like pain
So please understand
This isn't (10)_____ goodbye
This is I can't stand you

Fill in the gaps
