

No It Isn't by Plus 44

Fill in the gaps

Please understand
This isn't just goodbye
This is I can't stand you
This is where the road crashed (1)_____ the ocean
It (2)_____ all (3)_____ me
And now we're barely breathing
A thousand faces we'll choose to ignore
Curse my enemies forever
Let's slit our wrists and burn down something beautiful
This desperation (4)_____ me overjoyed
With fading lights (5)_____ (6)_____ us past the
lives that we destroy
I listen to you cry
A cry for less attention
But both my hands are tied
And I'm pushed into the deep end
I listen to you talk but talk is cheap
And my mouth is filled with blood
From trying not to speak
So search for an excuse
And someone to believe you
In foreign dressing rooms

I'm empty with the need to
Curse my enemies forever
Let's slit our (7)_____ and burn down something
beautiful
This desperation leaves me overjoyed
With fading lights that lead us past the lives (8)_____ we
destroy
Curse my enemies forever
Let's slit our wrists and burn down something beautiful
This desperation is leaving me overjoyed
With fading lights that lead us (9)_____ the lives
(10)_____ we destroy
Please understand
Lay rotting where I fall
I'm dead from bad intentions
Suffocated and embalmed
And now all our dreams are cashed in
You swore you wouldn't lose then lost your brain
You make a sound that feels like pain
So please understand
This isn't just goodbye
This is I can't stand you
