Leave Before The Lights Come On by Arctic Monkeys

Well this is a good idea	Oh, he had a struggle
He wouldn't do it if it wasn't	And you woke up together not quite realising how
He wouldn't do it if it wasn't one	Oh, but he's stretching and yawning
Well my friend fancies you	It's always (3) in the morning
Oh, what a way to (1) it all	And I suppose that's the price you pay
You said it's always exciting words to hear	Oh, it isn't (4) it was
And we woke up together not quite realizing how	She's thinking he looks (5) today
Awkwardly stretching and yawning	And oh there's (6) left to guess now
It's always hard in the morning	Quick, let's leave, before the lights come on
And I suppose that's the price you pay	'Cos then you don't have to see
Oh, it isn't what it was	'Cos then you don't have to see, what you've done
She's thinking he looks different today	Quick, let's leave, before the (7) come on
And oh there's nothing (2) to guess now	'Cos then you don't have to see
You left before the lights came on	'Cos (8) you don't have to see, what you've done
Because you didn't want to ruin	I'll walk you up, what time's the bus come?
What it was that was brewing	I'll walk you up, (9) time's the bus come?
Before he absolutely had to	
And how can you wake up	
With someone you don't love?	
And not feel slightly fazed by it
