## Leave Before The Lights Come On by Arctic Monkeys

Well this is a (1) idea	Oh, he had a struggle
He wouldn't do it if it wasn't	And you woke up together not (14) realising how
He wouldn't do it if it wasn't one	Oh, but he's (15) and yawning
Well my friend fancies you	It's always hard in the morning
Oh, (2) a way to begin it all	And I suppose that's the price you pay
You said it's (3) exciting (4) to	Oh, it isn't (16) it was
hear	She's thinking he looks different today
And we woke up together not quite realizing how	And oh there's nothing left to guess now
Awkwardly stretching and yawning	Quick, let's leave, before the (17)
It's (5) in the morning	(18) on
And I (7) that's the (8) you	'Cos then you don't have to see
pay	'Cos then you don't have to see, what you've done
Oh, it isn't (9) it was	Quick, let's leave, (19) the lights
She's thinking he looks different today	(20) on
And oh there's nothing (10) to guess now	'Cos then you don't have to see
You left before the (11) on	'Cos then you don't have to see, what you've done
Because you didn't want to ruin	I'll walk you up, what time's the bus come?
What it was that was brewing	I'll (21) you up, what time's the bus come?
Before he absolutely had to	
And how can you wake up	
With someone you don't love?	
And not feel slightly (13) by it
