## Too Afraid To Love You by The Black Keys

My gears they grind	All those sleepless nights
More each day	And all those wasted days
And I feel like	I wish (5) (6) leave
They're gonna (1) away	me
And the city blocks	But I think he's (7) to stay
They (2) me wild	What more can I do
They're never ending	I'm wringing myself dry
Mile after mile	And I can't afford to lose
I just don't know what to do	One more teardrop (8) my eye
I'm too (3) to love you	I'm too afraid
It's (4) on earth	I'm too afraid
In her embrace	I just don't know what to do
And her smiling face	With myself
I'm just one wishing	Thinking all the time in you
That I was a pair	Don't know what to do
With someone	Don't know what to do
(Oh) somewhere	Drivin me outta my mind
I just don't know what to do
