

## Fill in the gaps

Can you reel the urgency?	
Like a needle pulling out	Staring at the clock
Can you (1) the urgency?	I hear (13) (14) and tock
Pulses of anxiety	And they whisper that I lost the race
We're (2) faces in the crowd	But I won't fucking stop
Pulses of anxiety(oh)	I'll hold you by my side
Are these the lies that we've (3) taught to believe?	I need you (15) to fight
Are these the lives that we (4) opted to lead?	Cause' if we're gonna' lose (16) thing
(Uh oh, uh oh)	Then we're goin' out in style
	Staring at the clock
Staring at the clock	I hear each (17) and tock
I (5) (6) (7) and tock	And (18) whisper that I lost the race
And they whisper that I lost the race	But I won't fucking stop
But I won't fucking stop	I'll hold you by my side
I'll hold you by my side	You (19) I need you here to fight
I need you here tonight	Cause' if we're gonna' lose (20) thing
Cause' if we're gonna' lose (8) thing	Then we're goin' out in style
Then we're goin' out in style	Staring at the clock
Time will replace reality	I (21) each tick and tock
Now we are (9) (10) the	And (22) whisper (23) I (24)
hours	the race
Time will replace reality	But I won't fucking stop
So I grasp for sanity	I'll hold you by my side
I refuse to be devoured	You know I need you here to fight
So I grasp for sanity	Because if we're gonna' lose this thing
Are these the lies (11) taught to	Then we're goin' out in style
believe?	
Are these the lives we have opted to lead?	
(Uh oh, uh oh)
