

Fill in the gaps

I (1) black skies		
The lightning all around me		
I remember each flash		
As time began to blur		
Like a startling sound		
That fate had finally found me		
And your voice is all I heard		
That I get (2) I deserve		
So give me reason		
To prove me wrong		
To wash this memory clean		
Let the thoughts cross		
The distance in your eyes		
Now give me reason		
To (3) this hole		
Connect the space between		
Let it fill up		
To reach the truths and lies		
Across (4) new divide		
There was nothing left inside		
The memories left abandoned		
There was nothing else to hide		
Te ashs fell like snow		
And the ground caved in		
Between where we were standing		
And your voice is all I heard		
That I get what I deserve		

So give me reason		
To (5)	me wrong	
To wash this memory clean		
Let the thoughts cross		
The distance in your eyes		
Across this new divide		
And every (6)	and every lie	
And every truth that you deny		
And each regret and each goodbye		
Was a mistake too	great to hide	
And your voice is a	ll I heard	
That I get what I deserve		
So give me reason		
To prove me wrong		
To wash this memory clean		
Let the thoughts cross		
The distance in your eyes		
Give me reason		
To fill this hole		
Connect the space between		
Let it fill up		
To reach the truths and lies		
Across this new divide		
Across this new divide		
Across (7)	new divide
