

## Fill in the gaps

### Neutron Star Collision (Love Is Forever) by Muse

I was searching  
You were on a mission  
Then our hearts (1)\_\_\_\_\_ like  
A neutron star collision  
I have nothing left to lose  
You (2)\_\_\_\_\_ your time to choose  
Then we (3)\_\_\_\_\_ each other  
With no trace of (4)\_\_\_\_\_ that...  
Our love (5)\_\_\_\_\_ be forever  
And if we die, we die together  
And lie, I said never  
'Cause our love would be forever  
The (6)\_\_\_\_\_ is broken  
Halos fail to glisten  
You try to make a difference  
But no one wants to listen  
Hail, the preachers, fake and proud

Their (7)\_\_\_\_\_ will be cloud  
Then they'll dissipate  
Like snowflakes in an ocean  
Love is forever  
And we'll die, we'll die together  
And lie, I say never  
'Cause our love could be forever  
Now I've got nothing (8)\_\_\_\_\_ to lose  
You take (9)\_\_\_\_\_ time to choose  
I can tell you now without a trace of fear  
That my (10)\_\_\_\_\_ will be forever  
And we'll die, we'll die together  
Lie, I will never  
'Cause our love will be forever

## Fill in the gaps

Answer

1. combined
2. took
3. told
4. fear
5. would
6. world
7. doctrines
8. left
9. your
10. love
