Neutron Star Collision (Love Is Forever) by Muse

I was searching
You were on a mission
Then our hearts combined like
A neutron star collision
I (1)_____ nothing (2)_____ to lose
You took your time to choose
Then we told each other
With no trace of fear that...
Our love would be forever
And if we die, we die together
And lie, I said never
'Cause our love would be forever
The world is broken
Halos fail to glisten
You try to (3)_____ a difference
But no one wants to listen
Hail, the preachers, (4)_____ and proud

Their doctrines (5)_____ be cloud
Then they'll dissipate
Like snowflakes in an ocean
Love is forever
And we'll die, we'll die together
And lie, I say never
'Cause our (6)_____ (7)_____ be forever
Now I've got nothing left to lose
You take your time to choose
I can (8)_____ you now without a trace of fear
That my love (9)_____ be forever
And we'll die, we'll die together
Lie, I will never
'Cause our love will be forever
