### Neutron Star Collision (Love Is Forever) by Muse

I was searching	Their doctrines will be cloud
You (1) on a mission	Then they'll dissipate
Then our (2) combined like	Like snowflakes in an ocean
A neutron star collision	Love is forever
I have nothing (3) to lose	And we'll die, we'll die together
You took your time to choose	And lie, I say never
Then we (4) each other	'Cause our love (5) be forever
With no trace of fear that	Now I've got nothing left to lose
Our love would be forever	You take your time to choose
And if we die, we die together	I can tell you now without a (6) of fea
And lie, I said never	That my (7) will be forever
'Cause our love would be forever	And we'll die, we'll die together
The world is broken	Lie, I will never
Halos fail to glisten	'Cause our (8) (9) be forever
You try to make a difference	
But no one wants to listen
