

## Fill in the gaps

### Neutron Star Collision (Love Is Forever) by Muse

I was searching  
You were on a mission  
Then our hearts combined like  
A (1)\_\_\_\_\_ star collision  
I (2)\_\_\_\_\_ nothing left to lose  
You took (3)\_\_\_\_\_ time to choose  
Then we told (4)\_\_\_\_\_ other  
With no trace of (5)\_\_\_\_\_ that...  
Our (6)\_\_\_\_\_ would be forever  
And if we die, we die together  
And lie, I said never  
'Cause our love would be forever  
The (7)\_\_\_\_\_ is broken  
Halos fail to glisten  
You try to (8)\_\_\_\_\_ a difference  
But no one wants to listen  
Hail, the preachers, fake and proud

Their doctrines will be cloud  
Then they'll dissipate  
Like snowflakes in an ocean  
Love is forever  
And we'll die, we'll die together  
And lie, I say never  
'Cause our (9)\_\_\_\_\_ could be forever  
Now I've got nothing left to lose  
You take your time to choose  
I can tell you now without a (10)\_\_\_\_\_ of fear  
That my love will be forever  
And we'll die, we'll die together  
Lie, I will never  
'Cause our love will be forever

Answer

1. neutron
2. have
3. your
4. each
5. fear
6. love
7. world
8. make
9. love
10. trace
