

Fill in the gaps

Neutron Star Collision (Love Is Forever) by Muse

I was searching

You (1)_____ on a mission

Then our hearts combined like

A (2)_____ star collision

I have nothing (3)_____ to lose

You took your time to choose

Then we told each other

With no trace of (4)_____ that...

Our love would be forever

And if we die, we die together

And lie, I said never

'Cause our love would be forever

The world is broken

Halos fail to glisten

You try to make a difference

But no one wants to listen

Hail, the preachers, fake and proud

Their doctrines will be cloud

Then they'll dissipate

Like (5)_____ in an ocean

Love is forever

And we'll die, we'll die together

And lie, I say never

'Cause our love could be forever

Now I've got (6)_____ left to lose

You (7)_____ your time to choose

I can tell you now without a trace of fear

That my love (8)_____ be forever

And we'll die, we'll die together

Lie, I will never

'Cause our (9)_____ will be forever
