

## Fill in the gaps

### Neutron Star Collision (Love Is Forever) by Muse

I was searching

You (1)\_\_\_\_\_ on a mission

Then our hearts combined like

A neutron star collision

I have nothing (2)\_\_\_\_\_ to lose

You took your time to choose

Then we told (3)\_\_\_\_\_ other

With no trace of fear that...

Our love would be forever

And if we die, we die together

And lie, I (4)\_\_\_\_\_ never

'Cause our love would be forever

The world is broken

Halos fail to glisten

You try to make a difference

But no one wants to listen

Hail, the preachers, fake and proud

Their doctrines will be cloud

Then they'll dissipate

Like snowflakes in an ocean

Love is forever

And we'll die, we'll die together

And lie, I say never

'Cause our love could be forever

Now I've got (5)\_\_\_\_\_ left to lose

You (6)\_\_\_\_\_ your time to choose

I can tell you now without a (7)\_\_\_\_\_ of fear

That my love will be forever

And we'll die, we'll die together

Lie, I (8)\_\_\_\_\_ never

'Cause our love (9)\_\_\_\_\_ be forever

Answer

1. were
2. left
3. each
4. said
5. nothing
6. take
7. trace
8. will
9. will
