

Fill in the gaps

From the (1) of gold, across the seven seas	And (6) my (7) up to the sky
I'm traveling on, far and wide	So understand
But now it seems, I'm just a (2) to myself	Don't waste your time
And all the things I sometimes do	Always searching for (8) wasted years
It isn't me but someone else	Face up make your stand
I close my eyes, and think of home	And realize you're living in the golden years
Another city goes by, in the night	So understand
Ain't it funny how it is, you never miss it til it's gone away	Don't waste your time
And my (3) is lying there and will be til my dying	Always searching for those wasted years
day	Face up make your stand
So understand	And realize you're (9) in the
Don't waste your time	(10) years
Always searching for those wasted years	So understand
Face up make your stand	Don't waste your time
And realize you're (4) in the golden years	Always searching for those wasted years
Too much time on my hands, I got you on my mind	Face up make your stand
Can't ease this pain, so easily	And realize you're living in the golden years
When you can't find the words to say	
It's hard to make it through (5) day	
And it makes me wanna cry
