

Fill in the gaps

From a far existence a phantom came
To gibe and (1) the mortal
Abhorrent was its bleareyed glance
Wich petrified everything, even the wind
So, from wich dimension did it travel?
This metaphysical envoy
Which breaks the logical symmetry
And (2) above our planetary puzzel
All this is symptomatic for those
Who's been (3) in fire
It is at least my thesis
In (4) I am a wild ox
•
In (4) I am a wild ox
In (4) I am a wild ox On earth I am a lion
In (4) I am a wild ox On earth I am a lion A jester from hell
In (4) I am a wild ox On earth I am a lion A jester from hell And the shadows allmighty
In (4) I am a wild ox On earth I am a lion A jester from hell And the shadows allmighty The scientist of darkness
In (4) I am a wild ox On earth I am a lion A jester from hell And the shadows allmighty The scientist of darkness Older than the constellations
In (4) I am a wild ox On earth I am a lion A jester from hell And the shadows allmighty The scientist of darkness Older than the constellations The mysterious jinx and the error in
In (4) I am a wild ox On earth I am a lion A jester from hell And the shadows allmighty The scientist of darkness Older than the constellations The mysterious jinx and the error in Heavens masterplan

10 even (5) It?
Or should it rest in secrecy?
All I (6) is that I can't
Deny its licentious attraction
In heaven I am a wild ox
On earth I am a lion
A jester from hell
And the (7) allmighty
The scientist of darkness
Older (8) the constellations
The mysterious jinx and the error in
Heavens masterplan
In heaven I am a wild ox
On earth I am a lion
A jester from hell
And the shadows allmighty
The scientist of darkness
Older than the constellations
The mysterious jinx and the error in
Heavens masterplan
