

Fill in the gaps

Through The Fire And The Flames by DragonForce

On a (1)_____ winter morning, in the time
(2)_____ the light
In flames of death's eternal reign we ride (3)_____
the fight
And the (4)_____ is falling down
And the (5)_____ are (6)_____ all right
The sound of evil laughter falls around the world tonight
Fighting high, fighting on for the steel
Through the wastelands evermore
The (7)_____ souls will (8)_____ the
hell bodies
Wasted on the shores
On the (9)_____ waves in hells domain
We (10)_____ them as they go
Through fire, (11)_____ and once again we know
So now we fly ever free
We're free before the thunderstorm
On towards the wilderness our (12)_____ carries on
Far beyond the sundown, far (13)_____ the
moonlight
Deep inside our hearts and all our souls
So far away we wait for the day
For the light source so wasted and gone
We feel the pain of a lifetime (14)_____ in a thousand
days
Through the fire and the flames we carry on
As the red day is dawning
And the lightning cracks the sky
They raise their hands to the heavens above
As we send them to their lies

Running back (15)_____ the mid-morning light
There's a burning in my heart
We're banished from the (16)_____ in the
(17)_____ land
To a light beyond the stars
In the blackest dreams we do believe
Our destiny this time
And endlessly we'll all be free tonight
And on the wings of a (18)_____ so far
(19)_____ reality
All alone in (20)_____ now the time is
gone
Lost inside you'll never (21)_____ Lost within my own
mind
Day after day this (22)_____ must go on
So far away we wait for the day
For the light source so wasted and gone
We feel the pain of a lifetime lost in a thousand days
Through the fire and the flames we carry on
Now here we stand with their blood on our hands
We fought so hard now can we understand
I'll break the seal of this (23)_____ if I possibly can
For freedom of every man
So far away we wait for the day
For the (24)_____ source so wasted and gone
We (25)_____ the (26)_____ of a
(27)_____ lost in a thousand days
Through the fire and the flames we carry on

Fill in the gaps

Answer

1. cold
