

Once upon a time

Fill in the gaps

We (1) not to say goodbye
Something got a hold of us and we changed
Then you sat alone in pride
And I sat at home and cried
How'd our fairy tale just end up this way
We went round for round till we knocked love out
We were laying in the ring not making a sound
And if that's a metaphor of you and I
Why is it so hard to say goodbye
I can't wait to hate you
Make you pain like I do
Still can't (2) you off
I can't wait to breakthrough
These emotional changes
Seems like such a lost cause
I can't wait to face you
Break you down so low
There's no place left to go
I can't wait to hate you
No (3) to call my phone
'Cause I changed my number today
And (4) fact, I think I'm moving away (away)

Sorry the trustration's got me feeling away	
And I just keep having one last (5)	to say
And I just wanna hold you, touch you, feel you	
Be near you	
I miss you, baby, baby, baby, baby, baby, baby)	
I'm tired of (6) to fake through	
But there's nothing I can do	
Boy I can't wait to hate you	
I can't (7) to hate you	
Make you pain like I do	
Still can't shake you off	
I can't wait to breakthrough	
These emotional changes	
Seems like such a lost 'cause	
I can't (8) to face you	
Break you down so low	
There's no place left to go	
I can't wait to hate you, baby	
I can't wait to h-a-t-e you	
'Cause right now I (9) you
