

## Fill in the gaps

Once upon a time	Sorry the frustration's got me feeling away
We swore not to say goodbye	And I just (17) having one last thing to say
Something got a hold of us and we changed	And I (18) (19) hold you, touch you
Then you sat (1) in pride	feel you
And I sat at home and cried	Be near you
How'd our fairy tale just end up (2) way	I (20) you, baby, baby, baby (baby, baby, baby)
We went round for round (3) we knocked love out	I'm (21) of trying to fake through
We were laying in the ring not making a sound	But there's nothing I can do
And if that's a metaphor of you and I	Boy I can't wait to hate you
Why is it so (4) to say goodbye	I can't wait to (22) you
I can't (5) to hate you	Make you pain (23) I do
Make you (6)	Still can't shake you off
Still can't (8) you off	I can't wait to breakthrough
I can't (9) to breakthrough	These emotional changes
These emotional changes	Seems like such a lost 'cause
Seems like such a lost cause	I can't wait to (24) you
I can't (10) to face you	Break you down so low
Break you down so low	There's no place (25) to go
There's no place left to go	I can't wait to hate you, baby
I can't wait to hate you	I can't wait to h-a-t-e you
No need to call my phone	'Cause right now I need you
'Cause I (11) my (12)	()
today	
And (13) fact, I (14) I'm	
(15) (16) (away)
