When You Kiss Me by Shania Twain

Yeah	And when you're (18) me
This could be it	The world just goes away
I think I'm in love	The way you hold me
It's (1) this time	The way you show me
It (2) seems to fit	That you adore me
I think I'm in love	Oh, (19) you kiss me
This love is mine	(Mmm) Yeah
I can see you (3) me when I'm older	I can see you with me when I'm older
All my lonely (4) are finally over	All my lonely (20) are (21)
You took the weight of the world off my shoulders	over
(The world just goes away)	You took the weight of the world off my shoulders
Oh, when you kiss me	(The world (22) (23) away)
I (5) you miss me	When you kiss me
And when you're with me	I know you miss me
The world just (6) away	And when you're with me
The way you (7) me	The world just goes away
The way you (8) me	The way you hold me
That you adore me	The way you show me
Oh, (9) you kiss me	That you adore me
Oh, yeah	The (24) just goes away
You are the one	(When you kiss me)
I think I'm in love	When you kiss me
Life has begun	(I know you miss me)
(I think I'm in love)	I (25) you miss me
I can see the two of us together	(And when you're with me)
I (10) I'm (11) be (12) you	Oh
forever	The world just goes away
Love couldn't be any better	When you (26) me
(The (13) (14) (15) away)	
Oh, (16) you (17) me	
I know you miss me
