

Fill in the gaps

You're The Reason (Acoustic) by Victoria Justice

I don't want to (1) a scene	You're the (13) reason that I'm not
I don't (2) to let you down	(14) to fly
Try to do my own thing	And it's crazy
•	•
And I'm starting to figure it out	That someone could change me
That it's alright	Now no matter what it is I (15) to do
Keep it together wherever we go	I'm not afraid to try
And it's alright, oh well, whatever	And you need to know (16) you're the reason
Everybody (3) to know	Why
You might be crazy	If it was raining, you would yell at the sun
Have I told you lately	Pick up the pieces when the damage is done
That I love you?	You say it's (17) another day in the shade
You're the only reason (4) I'm not	Look at what a mess we made
(5) to fly	You might be crazy
And it's crazy	Have I (18) you lately
That (6) could change me	That I love you?
Now no matter (7) it is I (8) to do	You're the only (19) that I'm not afraid to fly
I'm not afraid to try	You (20) be crazy
And you need to (9) that you're the reason	Have I told you lately
Why	That I love you?
I don't (10) care when they say	You're the (21) (22)
You're a little bit off	(23) I'm not afraid to fly
Look me in the eye, I say	And it's crazy
I could (11) get enough	That someone could change me
'Cause it's alright	Now no matter what it is I have to do
Keep it together wherever we go	I'm not afraid to try
And it's alright, oh well, whatever	And you need to know that you're the reason
Everybody needs to know	Why
You (12) be crazy	I don't want to make a scene
Have I told you lately	I don't (24) to let you down
That I love you?
