SUB inglés

I don't want to make a scene

That I love you?

Fill in the gaps

You're the only reason that I'm not afraid to fly

You're The Reason (Acoustic) by Victoria Justice

don't want to let you down	And it's crazy
Try to do my own thing	That someone could change me
And I'm starting to figure it out	Now no matter what it is I have to do
That it's alright	I'm not afraid to try
Keep it together wherever we go	And you (3) to (4) (5) you're
And it's alright, oh well, whatever	the reason
Everybody needs to know	Why
You might be crazy	If it was raining, you would yell at the sun
Have I (1) you lately	Pick up the (6) when the damage is done
That I love you?	You say it's just another day in the shade
You're the only reason that I'm not afraid to fly	Look at what a mess we made
And it's crazy	You might be crazy
That someone (2) change me	Have I (7) you lately
Now no matter what it is I have to do	That I love you?
'm not afraid to try	You're the only reason that I'm not afraid to fly
And you need to know that you're the reason	You might be crazy
Why	Have I (8) you lately
don't even care when they say	That I love you?
You're a little bit off	You're the only reason that I'm not afraid to fly
_ook me in the eye, I say	And it's crazy
could never get enough	That someone could change me
Cause it's alright	Now no matter what it is I have to do
Keep it together wherever we go	I'm not afraid to try
And it's alright, oh well, whatever	And you need to know (9) you're the reason
Everybody needs to know	Why
You might be crazy	I don't want to make a scene
Have I told you lately	I don't want to let you down

- 1. told
