It once (2) (3) and it would be	That needed be told
shining still	It is the rhythm of the dancers
But they all (4) (5) on	That gives the (20) life
each other	It is the spirit of the poets
You see the poets (6) the dancers were	That (21) the soldiers strength to fight
shallow	It is the fire of the young ones
And the (7) thought the poets were weak	It is the wisdom of the old
And the (8) saw the young ones as foolish	It is the story of the poor man
And the (9) man never heard the poor man speak	That's needing to be told
And one by one they ran away	One by one, will we run away?
With (10) it it	With our made up (22) to (23) it all
all behind	behind
And the light began to fade	As the light begins to fade
In the (12) on a hill	In the city on a hill?
The city on a hill	One by one, will we run away?
Each one thought that they (13) better	With our made up minds to leave it all behind
But (14) were different by design	As the light begins to fade
Instead of standing strong together	In the city on a hill?
They let their (15) divide	The (24) on a hill
And one by one they ran away	Come home
With their made up minds to leave it all behind	And the Father's (25) still
And the light began to fade	Come home
In the city on a hill	To the city on the hill
The city on a hill	Come home
And the world is searchin' still	
But it was the rhythm of the dancers	
That gave the poets life	
It was the spirit of the poets	
That gave the soldiers strength to fight	
It was the (16) of the (17) ones
