

Fill in the gaps

I used to think one day we'd tell the (1) of us	And we're not speaking
How we met and the (2) flew instantly	And I'm (20) to know
And people would say they're the (3) ones	Is it killing you like it's killing me? yeah
I used to know my place was the (4) next to you	I don't know what to say since a twist of fate
Now I'm searching the (5) for an empty seat	When it all (21) down
'Cause lately I don't even know what (6) you're on	And the story of us looks a lot like a tragedy now
(Oh) a simple complication	This is looking like a contest
Miscommunications (7) to fallout	Of who can act like they care less
So many things that I wish you knew	But I (22) it better when you were on my side
So (8) walls up I can't break through	The battle's your hands now
Now I'm (9) alone in a crowded room	But I (23) lay my armor down
And we're not speaking	If you said you'd rather love (24) fight
And I'm dying to know	So many things that you wish I knew
Is it killing you like it's killing me? yeah	But the story of us might be ending soon
I don't know (10) to say (11) a twist	Now I'm standing alone in a crowded room
of fate	And we're not speaking
When it all (12) down	And I'm dying to know
And the story of us looks like a lot like a tragedy now	Is it killing you (25) it's killing me? yeah
Next chapter	And I don't know what to say since a twist of fate
How'd we end up this way?	When it all broke down
See me (13) pulling at my clothes	And the story of us
And (14) to look busy	Looks like a lot like a tragedy now, now, now
And you're doing your best to avoid me	And we're not speaking
I'm starting to think one day	And I'm (26) to know
I'll tell the (15) of us	Is it killing you (27) it's killing me? yeah
How I was losing my (16) when I saw you here	I don't know what to say since a twist of fate
But you held your pride	'Cause we're going down
Like you should have held me	And the story of us
(Oh) I'm scared to see the ending	Looks a lot like a tragedy now
Why are we (17) this is nothing?	The end
I'd tell you I (18) you but I don't know how	
I've never heard silence quite this loud	
Now I'm standing (19) in a crowded room
