Have You Ever Really Loved A Woman? (Live) by Bryan Adams

To really	To tell her that it's (12) last together
Love a woman	Tell me have you ever really
To understand her	Really, really ever loved a woman?
You gotta know her deep inside	(Yeah)
Hear every thought	You got to (13) her some faith
See every dream	Hold her tight
And give her wings when she wants to fly	A little tenderness
And when you find yourself lying helpless	You gotta treat her right
In her arms	She will be there for you
You know you really	Taking good care of you
Love a woman	You really gotta love your woman
When you (1) a woman	And when you find yourself lying helpless
You tell her (2) she's really wanted	In her arms
When you love a woman	You know you really
You tell her that she's the one	Love a woman
cause she needs somebody	(Yeah)
To tell her (3) it's gonna (4) forever	When you (14) a woman
So (5) me have you ever really	You tell her that she's really wanted
Really, really ever loved a woman?	When you love a woman
To really love a woman	You (15) her (16) she's the one
Let her (6) you	She needs somebody
Till you know how she needs to be touched	To (17) her that it's (18) last together
You've gotta breathe her	Tell me have you (19) really
Really taste her	Really, really (20) loved a woman?
Till you can (7) her	(Yeah)
In (8) blood	Tell me (21) you ever really
And when you see your (9) children	Really, (22) ever loved a woman?
In her eyes	(Oh) You've got to (23) me (24) you
You know you really love a woman	ever really
When you love a woman	(Really, (25) ever loved)
You tell her that she's really wanted	Really, (26) ever loved
When you (10) a woman	A woman?
You (11) her that she's the one
