Looking out of a dirty window		We gotta let them know	
It's not much, but it's all I've known		It's enough (12)	us
Close my eyes and I see a rainbow		(It's enough (13)	_ us)
But I can't reach the pot of gold		Yeah we can help a (14)	up
All the things (1) we take for granted		(We can help a girl up)	
All the things we don't really need		We can help a girl up	
Those are the things they've (2)	wanted	(Help a girl, help a girl up)	
Loved girl will replant the seed		(Help a girl, help a girl up)	
The more I think about it		We can help a girl up	
They are (3) like me		(Help a girl, help a girl up)	
We all need love		Oh yeah	
We all need hope		(Help a girl, help a girl up)	
We all have dreams		All the girls in the world (15) up	
And now I'm lyring sleepless		When one of us hurts (16) up	
Just trying to figure it out		Let your voice be heard, don't give up	
If you think (4) it		'Cause together we can help a girl up!	
It doesn't take much		All the girls in the world stand up	
To help a girl up		When one of us hurts (17)_	up
Just a little bit of heart and soul		Let (18) voice be heard	
We gotta let (5) know		Don't (19) up	
It's enough about us		'Cause together we can help a girl up!	
Yeah, we can help a girl up		And now I'm lying sleepless	
We can help a girl up		Just trying to figure it out	
(Help a girl, help a girl up)		If you think about it	
(Help a girl, help a girl up)		It doesn't take much	
We can help a girl up		To (20) a girl up	
(Help a girl, (6) a girl up)		(To help a girl up)	
Don't you know?		Just a (21) bit of heart and soul	
(Help a girl, (7) a girl up)		We gotta let them know	
If a man can move a mountain		It's enough about us	
We can start an avalanche		Yeah, we can help a girl up	
Throw a penny in the fountain		(It's enough about us)	
(One wish) one wish		We can (22) a girl up	
One (8) hand		All the girls in the world stand up	
The (9) I think about it		When one of us hurts speak up	
They are just like me		Let your (23) be heard, don't give up	
We all need love		'Cause together we can help a girl up	
We all need hope		All the (24) in the world stand up	
We all (10) dreams		When one of us hurts (25) up	
And now I'm lying sleepless		Let your voice be heard, don't give up	
Just trying to (11) it out		'Cause (26)	we can help a girl u
If you think about it		Girl up!	
It doesn't take much			
To help a girl up			
Just a little bit of heart and soul
