## Make It In America by Victorious Cast & Victoria Justice

Got a one ticket down a two-way street	'Cause baby I'm born to run
Got the wind in my hair and there's dust on my feet	I gotta feeling that I'm not the only one
I'm just trying to (1) it in America	And I, I wanna show some skin
Only thing to my name is in old t-shirt	Yeah, (6) I need the ocean
Faded 1985 from the Stones concert	And you can't stop me now
And I'm dying to make it in America	I've got my heart in motion
And I'm singing the words to my favorite song	And I wanna make it in America
With the rag top down and my glasses on	Make it in America
And I'm (2) straight through America	I can feel the sweat dripping down my face
I (3) taste the sun	I can hear my heart as it starts to race
'Cause baby I'm born to run	And sometimes it's worth such a lonely place
I gotta feeling that I'm not the only one	If a just push on I (7) that
And I, I wanna show some skin	I wanna taste the sun
Yeah, baby I need the ocean	'Cause baby I'm born to run
And you can't stop me now	I (8) feeling that I'm not the only one
I've got my heart in motion	And I, I wanna show (9) skin
And I wanna make it in America	Yeah, baby I need the ocean
Make it in America	And you can't stop me now
I can see my (4) sunset and vine	I've got my heart in motion
Gonna (5) my name in the Hollywood sign	And I wanna make it in America
Yeah, I gotta, gotta make it in America	Make it in America
See me wearing a smile even if I'm broke	Make it in America
I'll be singing the words from a song I wrote	
And I called it make it in America
