

Fill in the gaps

	With you today
I'm five years old	I have an excellent father
It's getting cold out I got	His strength is making me stronger
My big (1) on	God smiles on my little brother
I hear (2) laugh and (3) up smiling at	Inside and out he's better than I am
you	I grew up in a pretty house
I run and run	And I had space to run and I
Past the (4) patch	Had the best days (18) you
And the tractor rides, look now	There is a video I (19) from back when
The sky is gold	I was three
I hug your (5) and (6) asleep	You set up a paint set in the kitchen and you're
On the way home	Talking to me
I (7) know why	Its the age of princesses and (20) ships
All the trees change in the fall	And the seven dwarfs
I (8) you're not scared of anything at all	And Daddy's (21) and you're the prettiest lady in
Don't know if Snow White's house is (9) or far	The whole (22) world
away	And now I know why
But I (10) I had the best day	All the trees change in the fall
With you today	I (23) you (24) on my side
I'm thirteen now	Even when I was wrong
And dont know how my friends	And I love you for giving me (25) eyes
Could be so mean	Staying back and watching me shine and
I (11) home crying and you hold me tight	I didn't know if you knew
And (12) the keys	So I'm taking this chance to say
And we drive and drive	That I had the (26) day
Until we found a town far enough away	With you
And we talk and window (13) 'til I've forgotten	Today
All their names	
I don't (14) who I'm (15) talk to now	
at school	
I know I'm laughing on the car ride home with you	
Don't know how long it's gonna (16) to	
(17) ok	
But I know I had the best day
