

Fill in the gaps

	With you today
I'm five years old	I have an (6) father
It's getting cold out I got	His strength is making me stronger
My big coat on	God smiles on my little brother
I hear (1) laugh and look up smiling at you	Inside and out he's better than I am
I run and run	I grew up in a pretty house
Past the pumpkin patch	And I had space to run and I
And the tractor rides, look now	Had the best days with you
The sky is gold	There is a video I found from back when
I hug your legs and fall asleep	I was three
On the way home	You set up a paint set in the kitchen and you're
I dont know why	Talking to me
All the trees change in the fall	Its the age of princesses and pirate ships
I know you're not scared of anything at all	And the (7) dwarfs
Don't know if Snow White's house is near or far away	And Daddy's smart and you're the (8)
But I know I had the best day	lady in
With you today	The whole wide world
I'm thirteen now	And now I know why
And dont know how my friends	All the trees change in the fall
Could be so mean	I know you were on my side
I come home crying and you hold me tight	Even when I was wrong
And (2) the keys	And I love you for giving me your eyes
And we drive and drive	Staying back and watching me (9) and
Until we found a town far enough away	I didn't know if you knew
And we talk and window (3) 'til I've forgotten	So I'm (10) this chance to say
All their names	That I had the best day
I don't know who I'm (4) talk to now at school	With you
I know I'm laughing on the car ride home with you	Today
Don't know how long it's gonna take to (5) ok	
But I know I had the best day
