And you know everything about me

Fill in the gaps

I'm Only Me When I'm With You by Taylor Swift

Friday night beneath the stars		You say that you can't live without me	
In a field (1)	your yard	I'm only up when you're not down	
You and I are painting pictures in the sky		Don't wanna fly if you're still on the ground	
And sometimes we don't say a thing		It's like no matter what I do	
Just listen to the crickets sing		Well, you drive me (6) half th	e time
Everything I need is right here by my side		The other half I'm only trying	
And I know everything about you		To let you know that what I feel is true	
I don't wanna live without you		And I'm only me when I'm with you	
I'm only up when you're not down		When I'm with anybody else	
Don't wanna fly if you're (2) on the ground		It's so (7) to be myself	
It's (3)	no matter what I do	And only you can see	
Well, you drive me crazy half the time		That I'm only up when you're not down	
The other half I'm only trying		Don't wanna fly if you're still on the ground	
To let you know that what I feel is true		It's like no matter what I do	
And I'm only me (4) I'm with you		Well, you drive me crazy half the time	
Just a small town boy and girl		The other half I'm only trying	
Livin' in a crazy world		To let you know that what I (8) i	is true
Tryin' to figure out what is and isn't true		And I'm only me, who I wanna be	
And I don't try to hide my tears		Well, I'm only me when I'm with you	
The (5)	all my deepest fears	With you	
Through it all nobo	ody gets me like you do
