

## Fill in the gaps

## I'm Only Me When I'm With You by Taylor Swift

Friday (1) beneath the stars	You say (14) you can't live (15)
In a field behind (2) yard	me
You and I are painting pictures in the sky	I'm only up when you're not down
And sometimes we don't say a thing	Don't wanna fly if you're still on the ground
Just (3) to the crickets sing	It's like no matter what I do
Everything I need is right here by my side	Well, you drive me (16) half the time
And I (4) everything (5) you	The (17) (18) I'm only trying
I don't wanna live (6) you	To let you know that what I feel is true
I'm only up when you're not down	And I'm only me (19) I'm (20) you
Don't wanna fly if you're still on the ground	When I'm with anybody else
It's like no matter (7) I do	It's so hard to be myself
Well, you drive me crazy half the time	And only you can see
The other (8) I'm (9) trying	That I'm only up when you're not down
To let you (10) that what I feel is true	Don't wanna fly if you're (21) on the ground
And I'm only me (11) I'm with you	It's (22) no matter (23) I do
Just a small town boy and girl	Well, you drive me (24) (25) the time
Livin' in a crazy world	The other half I'm only trying
Tryin' to (12) out what is and isn't true	To let you know that what I feel is true
And I don't try to hide my tears	And I'm only me, who I (26) be
The secrets all my deepest fears	Well, I'm only me when I'm with you
Through it all nobody gets me like you do	With you
And you know (13) about me
