

And you know everything about me

I'm Only Me When I'm With You by Taylor Swift

-riday night beneath the stars	You say that you can't live without me
n a field (1) your yard	I'm only up when you're not down
You and I are painting pictures in the sky	Don't wanna fly if you're (3) on the ground
And sometimes we don't say a thing	It's (4) no matter what I do
Just listen to the crickets sing	Well, you drive me crazy half the time
Everything I need is right here by my side	The other half I'm only trying
And I know everything about you	To let you know that what I feel is true
don't wanna live without you	And I'm only me when I'm with you
'm only up when you're not down	When I'm with (5) else
Don't wanna fly if you're still on the ground	It's so hard to be myself
t's like no matter what I do	And only you can see
Well, you drive me crazy half the time	That I'm only up when you're not down
The other half I'm only trying	Don't wanna fly if you're still on the ground
To let you know that what I feel is true	It's (6) no matter what I do
And I'm only me when I'm with you	Well, you (7) me (8) half the time
Just a small town boy and girl	The other half I'm (9) trying
Livin' in a crazy world	To let you know that what I feel is true
Tryin' to figure out what is and isn't true	And I'm only me, who I wanna be
And I don't try to hide my tears	Well, I'm only me (10) I'm with you
The secrets all my deepest fears	With you
Through it all nobody (2) me like you do
