

Fill in the gaps

Come Back... Be Here by Taylor Swift

You said it in a simple way
Four a.m. the second day
How strange that I don't know you at all
Stumbled through the long goodbye
One last kiss, then catch your flight

Right (1)_____ I was just about to fall
I told myself don't get attached
But in my mind I play it back
Spinning (2)_____ than the (3)_____ that
took you

And (4)_____ is when the feeling sinks in

I don't wanna miss you like this

Come back, be here

Come back, be here

I guess you're in New York today

I don't wanna need you this way

Come back, be here

Come back, be here

The delicate beginning rush

The feeling you can (5)_____ so much

Without knowing anything at all

And now that I can put this down

If I had known what I know now

I never would have played so nonchalant

Taxi cabs and (6)_____ streets

That never bring you back to me

I can't help but wish you took me with you

And (7)_____ is when the feeling sinks in

I don't wanna miss you like this

Come back, be here

Come back, be here

I guess you're in London today

I don't wanna (8)_____ you this way

Come back, be here

Come back, be here

This is (9)_____ in love in the cruelest way

This is falling for you and you are worlds away

New York... be here

But you're in London and I break down

'Cause it's not fair that you're not around

This is when the feeling sinks in

I don't wanna miss you like this

Come back, be here

Come back, be here

I guess you're in New York today

And I don't wanna need you this way

Come back, be here

Come back, be here

I don't wanna (10)_____ you like this...

Come back, be here

Come back, be here

Answer

1. when
