

Fill in the gaps

Come Back... Be Here by Taylor Swift

You said it in a simple way	And (16) is when the feeling (17) ir
Four a.m. the second day	I don't wanna miss you like this
How strange that I don't (1) you at all	Come back, be here
Stumbled through the long goodbye	Come back, be here
One last kiss, then catch your flight	I guess you're in London today
Right when I was just about to fall	I don't wanna (18) you (19) way
I told myself don't get attached	Come back, be here
But in my mind I play it back	Come back, be here
Spinning (2) than the (3)	This is falling in love in the (20) way
(4) took you	This is falling for you and you are (21) away
And (5) is when the feeling sinks in	New York be here
I don't wanna miss you like this	But you're in London and I break down
Come back, be here	'Cause it's not fair that you're not around
Come back, be here	This is (22) the feeling (23) in
I (6) you're in New (7) today	I don't wanna miss you like this
I don't (8) (9) you (10)	Come back, be here
way	Come back, be here
Come back, be here	I guess you're in New York today
Come back, be here	And I don't (24) (25) you this way
The delicate beginning rush	Come back, be here
The feeling you can know so much	Come back, be here
Without knowing anything at all	I don't (26) miss you like this
And now that I can put (11) down	Come back, be here
If I had known what I (12) now	Come back, be here
I never would (13) (14) so	
nonchalant	
Taxi cabs and busy streets	
That never bring you back to me	
I can't help but wish you took me (15) you
