## Come Back... Be Here by Taylor Swift

You said it in a simple way	And this is when the feeling (5) in
Four a.m. the second day	I don't wanna miss you (6) this
How strange that I don't know you at all	Come back, be here
Stumbled through the long goodbye	Come back, be here
One last kiss, then catch your flight	I guess you're in London today
Right (1) I was just (2) to fall	I don't wanna need you this way
I told myself don't get attached	Come back, be here
But in my mind I play it back	Come back, be here
Spinning faster than the (3) that took you	This is falling in love in the cruelest way
And this is when the feeling sinks in	This is falling for you and you are (7) away
I don't wanna miss you like this	New York be here
Come back, be here	But you're in London and I break down
Come back, be here	'Cause it's not fair that you're not around
I guess you're in New York today	This is when the feeling (8) in
I don't wanna need you this way	I don't (9) miss you like this
Come back, be here	Come back, be here
Come back, be here	Come back, be here
The delicate beginning rush	I guess you're in New York today
The feeling you can know so much	And I don't wanna (10) you this way
Without knowing anything at all	Come back, be here
And now that I can put this down	Come back, be here
If I had known what I know now	I don't wanna miss you like this
I never would have played so nonchalant	Come back, be here
Taxi (4) and busy streets	Come back, be here
That never bring you back to me
