Mary's Song (Oh My My My) by Taylor Swift

She said, I was seven and you were nine	And all I need is you next to me
I looked at you like the stars that shined	Take me back to the time we had our very first fight
In the sky	The slamming of doors instead of kissing goodnight
The pretty lights	You stayed outside til the morning light
And our daddies used to joke about the two of us	Oh my my my
Growing up and (1) in (2) and	A few (6) had (7) and come aroun
our mamas smiled	We were (8) at our favorite spot in town
And rolled (3) eyes and said "oh my my my"	And you looked at me, got down on one knee
Take me back to the house in the backyard tree	Take me back to the time
Said you'd (4) me up, you were bigger than me	When we walked down the aisle
You never did, you never did	Our whole town came and our mamas cried
Take me back when our (5) was one block wide	You said "I do" and I did too
I dared you to kiss me and ran when you tried	Take me home where we met so many years before
Just two kids, you and I	We'll rock our babies on that very front porch
Oh my my my my	After all this time, you and I
I was sixteen when suddenly	And I'll be eighty-seven
I wasn't that little girl you used to see	You'll be eighty-nine
But your eyes still shined like pretty lights	I'll (9) look at you like the stars that shine
And our daddies used to joke about the two of us	In the sky
They never believed we'd really fall in love	Oh my my my
And our mamas smiled and rolled their eyes	
And said "oh my my my"	
Take me back to the creek beds we turned up
