

Fill in the gaps

Mary's Song (Oh My My My) by Taylor Swift

She said, I was seven and you (1) nine	And all I need is you next to me
I looked at you like the stars that shined	Take me back to the (12) we had our very first fight
In the sky	The slamming of (13) (14) of
The pretty lights	(15) goodnight
And our daddies used to joke about the two of us	You stayed outside til the (16) light
Growing up and (2) in love and our mamas	Oh my my my my
smiled	A few years had (17) and come around
And rolled their eyes and said "oh my my my"	We were sitting at our favorite (18) in town
Take me (3) to the house in the backyard tree	And you looked at me, got down on one knee
Said you'd beat me up, you (4) (5)	Take me back to the time
than me	When we (19) down the aisle
You never did, you (6) did	Our whole town came and our mamas cried
Take me back when our world was one block wide	You said "I do" and I did too
I dared you to kiss me and ran when you tried	Take me home where we met so many years before
Just two kids, you and I	We'll (20) our babies on (21) very from
Oh my my my my	porch
I was (7) when suddenly	After all (22) time, you and I
I wasn't that little girl you used to see	And I'll be eighty-seven
But your eyes still shined like pretty lights	You'll be eighty-nine
And our (8) used to (9) about	I'll still look at you like the stars (23) shine
the two of us	In the sky
They never believed we'd really fall in love	Oh my my my
And our mamas smiled and rolled (10) eyes	
And said "oh my my my"	
Take me back to the creek beds we (11) up	
2 a.m. riding in your truck
