Fill in the gaps

Mary's Song (Oh My My My) by Taylor Swift

She said, I was seven and you were nine	And all I need is you next to me
I looked at you like the stars that shined	Take me back to the time we had our very first fight
In the sky	The slamming of doors instead of kissing goodnight
The pretty lights	You stayed (6) til the morning light
And our (1) used to joke about the two of	Oh my my my my
us	A few years had gone and come around
Growing up and falling in love and our mamas smiled	We were sitting at our favorite spot in town
And rolled their eyes and said "oh my my my"	And you looked at me, got (7) on one knee
Take me back to the house in the backyard tree	Take me back to the time
Said you'd beat me up, you were (2) than me	When we walked down the aisle
You never did, you never did	Our whole town came and our mamas cried
Take me back when our world was one block wide	You said "I do" and I did too
I dared you to kiss me and ran when you tried	Take me home where we met so many years before
Just two kids, you and I	We'll rock our babies on that very front porch
Oh my my my my	After all (8) time, you and I
I was sixteen when suddenly	And I'll be eighty-seven
I wasn't that little girl you used to see	You'll be eighty-nine
But your eyes (3) shined like pretty lights	I'll still look at you like the stars that shine
And our daddies used to joke about the two of us	In the sky
They never believed we'd really (4) in love	Oh my my my
And our mamas smiled and rolled their eyes	
And said "oh my my my"	
Take me back to the creek beds we turned up
