

## Fill in the gaps

I (1) your bare feet
Down the hallway
I remember your little laugh
Race (2) on the kitchen floor
Plastic dinosaurs
I love you to the moon and back
I remember your blue eyes
Looking into mine
Like we had our own secret club
I remember you dancing
Before bedtime
Then (3) on me waking me up
I can still feel you hold my hand
Little man
And even the moment I knew
You (4) it hard like an army guy
Remember I
Leaned in and whispered to you
Come on baby with me we're gonna fly away
From here
You where my best four years
I remember the drive home
When the blind hope
Turned to crying and screaming why
Flowers pile up in the worst way
No one knows (5) to say
About a beautiful boy who died
And it's about to be halloween
You could be anything
You wanted if you were still here
I remember the last day
When I (6) your face

And whispered in your ear
Come on baby (7) me
We're gonna fly away
From here
Out of this (8) room
And this hospital gray
We'll just disappear
Come on baby (9) me
We're gonna fly away
From here
You were my best four years
And what if I'm standing in you closet
Trying to talk to you
And what if I kept the hand-me-downs
You won't grow into
And what if I really thought (10) miracle
And what if I really thought (10) miracle  Would see us through
Would see us through
Would see us through But maybe the miracle was
Would see us through But maybe the miracle was Even getting one moment with you
Would see us through But maybe the miracle was Even getting one moment with you Come on baby with me
Would see us through But maybe the miracle was Even getting one moment with you Come on baby with me We're gonna fly away
Would see us through But maybe the miracle was Even getting one moment with you Come on baby with me We're gonna fly away From here
Would see us through But maybe the miracle was Even getting one moment with you Come on baby with me We're gonna fly away From here Come on baby with me
Would see us through But maybe the miracle was Even getting one moment with you Come on baby with me We're gonna fly away From here Come on baby with me We're gonna fly away
Would see us through But maybe the miracle was Even getting one moment with you Come on baby with me We're gonna fly away From here Come on baby with me We're gonna fly away From here
