Fill in the gaps

Should've Said No (Live) by Taylor Swift

| It's strange to think the songs we used to sing | You should've thought (11) fore you let it all go |
|---|---|
| The smiles, the flowers, everything is gone | You should've know that word |
| Yesterday I found out about you | But with (12) you did with her |
| Even now just looking at you feels wrong | Get back to me (get back to me) |
| You say that you'd take it all back | And I should've (13) there |
| Given one chance | In the back of your mind |
| It was a (1) of weakness | I shouldn't be asking (14) "why?" |
| And you (2) "yes" | You shouldn't be (15) for |
| You should've said "no" | Forgiveness at my feet |
| You should've gone home | You should've said "no" |
| You should've (3) twice 'fore you let it all go | Baby, and you might still have me |
| You should've know (4) word | I can't resist |
| With what you did with her | Before you go tell me this |
| Get back to me (get back to me) | Was it worth it? |
| And I should've (5) there | Was she worth this? |
| In the back of (6) mind | No no, no no no, no |
| I shouldn't be asking myself "why?" | You should've (16) "no" |
| You shouldn't be begging for | You should've (17) home |
| Forgiveness at my feet | You should've (18) twice 'fore you let it all |
| You should've said "no" | go |
| Baby, and you (7) still have me | You should've know that word |
| You can see that I've been crying | But (19) (20) you did with her |
| Baby you know all the right things to say | Get back to me (get back to me) |
| But do you | And I should've been there |
| Honestly expect me to believe | In the back of your mind |
| We could (8) be the same? | I shouldn't be (21)(22) |
| You say that the past is the past | "why?" |
| You (9) one chance | You shouldn't be begging |
| It was a moment of weakness | For forgiveness at my feet |
| And you said "yes" | You should've said "no" |
| You should've said "no" | Baby, and you (23) have me |
| You should've (10) home | |

1. moment

- 2. said
- 3. thought
- 4. that
- 5. been
