

## Fill in the gaps

There I was again tonight	I'll spend forever wondering if you knew
Forcing laughter, faking smiles	This night is flawless
Same old tired, lonely place	Don't you let it go
Walls of insincerity	I'm wonderstruck, dancing around all alone
Shifiting eyes and vancancy	I'll (5) forever wondering if you knew
Vanished when I saw your face	I was enchanted to meet you
All I can say is it was enchanting to meet you	This is me praying that
Your eyes whispered "have we met?"	This was the very first page
Across the room your silhouette	Not where the story line ends
Starts to (1) it's way to me	My thoughts will echo your name
The playful conversation starts	Until I see you again
Counter all your quick remarks like	These are the words I (6) back
Passing notes in secrecy	As I was leaving too soon
And it was enchanting to meet you	I was enchanted to meet you
All I can say is I was enchanted to meet you	Please don't be in love (7) someone else
This night is sparkling	Please don't have (8)
Don't you let it go	(9) on you
I'm wonderstruck, blushing all the way home	Please don't be in love with someone else
I'll spend forever wondering if you knew	Please don't have somebody waiting on you
I was enchanted to meet you	This night is sparkling
The lingering (2) kept me up	Don't you let it go
2 a.m. who do you love?	I'm wonderstruck, blushing all the way home
I wonder till I'm wide awake	I'll spend forever wondering if you knew
Now I'm pacing (3) and forth	This night is flawless
Wishing you were at my door	Don't you let it go
I'd open up and you would say (hey)	I'm wonderstruck, dancing around all alone
It was enchanting to meet you	I'll spend forever wondering if you knew
All I know is I was (4) to meet you	I was (10) to meet you
This night is sparkling	Please don't be in love with someone else
Don't you let it go	Please don't have somebody waiting on you
I'm wonderstruck, blushing all the way home
