

Fill in the gaps

I (1) through the door with you	Maybe we got lost in translation
The air was cold	Maybe I asked for too much
But something 'bout it (2) like	But maybe this thing was a masterpiece
Home somehow and I	Till you (16) it all up
Left my (3) there	Running scared, I was there
At your sister's house and you still got it	I remember it all too well
In (4) drawer even now	Hey you (17) me up again
(Oh) your sweet disposition	Just to (18) me like a promise
And my wide-eyed gaze	So casually cruel in the name of being honest
We're (5) in a car getting lost upstate	I'm a crumbled up (19) of paper
Autumn leaves falling down like (6) into place	(20) here
And I can (7) it after all these days	'Cause I remember it all all all
And I (8) it's long (9) and	Too well
That magic's not here no more	Time won't fly; it's like I'm paralyzed by it
And it might be okay, but I'm not fine at all	I'd like to be my old self again
'Cause here we are (10) on that little	But I'm still (21) to find it
(11) street	After plaid shirt days and nights
You almost ran the red	When you (22) me your own
'Cause you were looking over at me	Now you mail back my things
Wind in my hair, I was there	And I walk home alone
I remember it all too well	But you keep my old scarf
Photo album on the counter	From that very first week
Your cheeks were turning red	Cause it reminds you of innocence
You used to be a little kid	And it smells like me
With glasses in a twin-sized bed	You can't get rid of it
Your mother's telling stories 'bout you	'Cause you remember it all too well
On the t-ball team	(Yeah)
You tell me about your past	'Cause there we are again when I loved you so
Thinking your future was me	Back before you lost
And I know it's long gone	The one real (23) you've (24) known
And there was nothing (12) I (13) do	It was rare, I was there
And I forget about you long enough	I remember it all too well
To forget why I (14) to	Wind in my hair, you were there
'Cause (15) we are again	You remember it all
In the middle of the night	Down the stairs, you were there
We're dancing round the kitchen	You (25) it all
In the refrigerator light	It was rare, I was there
Down the stairs, I was there	I (26) it all too well
I remember it all too well	
(Yeah)
