

(Yeah)

## Fill in the gaps

I (1) through the door with you	Maybe we got lost in translation
The air was cold	Maybe I asked for too much
But something 'bout it felt like	But maybe this thing was a masterpiece
Home somehow and I	Till you tore it all up
Left my scarf there	Running scared, I was there
At your sister's house and you still got it	I remember it all too well
In (2) drawer even now	Hey you called me up again
(Oh) your sweet disposition	Just to break me like a promise
And my wide-eyed gaze	So casually cruel in the name of being honest
We're singing in a car getting lost upstate	I'm a crumbled up (8) of paper lying here
Autumn leaves falling (3) like (4)	'Cause I remember it all all
into place	Too well
And I can picture it after all these days	Time won't fly; it's like I'm paralyzed by it
And I know it's long gone and	I'd like to be my old self again
That magic's not here no more	But I'm still trying to find it
And it might be okay, but I'm not fine at all	After plaid shirt days and nights
'Cause here we are again on that little town street	When you made me your own
You (5) ran the red	Now you mail back my things
'Cause you were looking over at me	And I walk home alone
Wind in my hair, I was there	But you keep my old scarf
I remember it all too well	From that very first week
Photo album on the counter	Cause it reminds you of innocence
Your cheeks were turning red	And it (9) like me
You (6) to be a little kid	You can't get rid of it
With glasses in a twin-sized bed	'Cause you remember it all too well
Your mother's telling stories 'bout you	(Yeah)
On the t-ball team	'Cause there we are again when I loved you so
You tell me about your past	Back before you lost
Thinking your future was me	The one real thing you've ever known
And I know it's long gone	It was rare, I was there
And there was nothing else I (7) do	I remember it all too well
And I forget about you long enough	Wind in my hair, you (10) there
To forget why I needed to	You remember it all
'Cause here we are again	Down the stairs, you were there
In the middle of the night	You remember it all
We're dancing round the kitchen	It was rare, I was there
In the refrigerator light	I remember it all too well
Down the stairs, I was there	
I remember it all too well
