SUB inglés

You've given me, given me

Fill in the gaps

Shattered Dreams by Johnny Hates Jazz

So much for your promises	Nothing but shattered dreams, shattered dreams
They died the day you let me go	Feel like I could run away, run away
Caught up in a web of lies	From (6) empty heart
But it was just too late to know	From this empty heart
I thought it was you	I thought it was you
Who would stand by my side	Who said they'd die for love
And now you've given me, (1) me	And now you've given me, given me
Nothing but shattered dreams, (2)	Nothing but shattered dreams, shattered dreams
dreams	Feel like I could run away, run away
Feel like I (3) run away, run away	From (7) empty heart
From this empty heart	You've given me, given me
You said you'd die for me	Nothing but (8) dreams, shattered
Make up to reality	
Woke up to reality	dreams
And (4) the future not so bright	dreams Feel (9) I could run away, run away
And (4) the future not so bright	Feel (9) I could run away, run away
And (4) the future not so bright I dreamt the impossible	Feel (9) I could run away, run away From this empty heart
And (4) the future not so bright I dreamt the impossible That maybe things could work out right	Feel (9) I could run away, run away From this empty heart (Oh no no no)
And (4) the future not so bright I dreamt the impossible That maybe things could work out right I thought it was you	Feel (9) I could run away, run away From this empty heart (Oh no no no) You said you'd die for me
And (4) the future not so bright I dreamt the impossible That maybe things could work out right I thought it was you Who would do me no wrong	Feel (9) I could run away, run away From this empty heart (Oh no no no) You said you'd die for me (Oh oh)
And (4) the future not so bright I dreamt the impossible That maybe things could work out right I thought it was you Who would do me no wrong And now you've given me, given me	Feel (9) I could run away, run away From this empty heart (Oh no no no) You said you'd die for me (Oh oh) Die for me

- 1. given
- 2. shattered
- 3. could
- 4. found
- 5. this
- 6. this
- 7. this
