

Fill in the gaps

There's (1) a little bit of your taste	Stones taught me to fly
In my mouth	Love taught me to lie
There's still a little bit of you laced	So come on courage
With my doubt	Teach me to be shy
It's still a little hard to say	'Cause it's not hard to fall
What's going on	When you (9) that you just don't know
There's still a (2) bit of your ghost	Stones taught me to fly
Your witness	Love taught me to lie
There's still a little bit of your face	So come on courage
I haven't kissed	Teach me to be shy
You (3) a little closer each day	'Cause it's not hard to fall
That I can't say what's going on	When you float like a cannonball
Stones (4) me to fly	(Stones taught me to fly)
Love taught me to lie	Love taught me to cry
Life taught me to die	So come on courage
So it's not (5) to fall	Teach me to be shy
When you float like a cannonball	'Cause it's not hard to fall
There's still a little bit of your song	And I don't (10) scare him
In my ear	It's not hard to fall
There's still a little bit of (6) words	And I don't wanna lose
I (7) to hear	It's not hard to fall
You step a little closer to me	When you float like a cannonball
So (8) I can't see what's going on
