You see just where we're at Just please don't say you love me

### Fill in the gaps

#### Please Don't Say You Love Me by Gabrielle Aplin

Summer comes and winter fades	'Cause I might not say it back
Here we are just the same	Fools rush in
Don't need pressure, don't need change	And I've been fooled before
Let's not give the (1) away	This time I'm gonna slow it down
There (2) to be an empty space	'Cause I think this could be more
A photograph without a face	The thing I'm looking for
But (3) your presence and your grace	Just please don't say you love me
Everything falls into place	'Cause I might not say it back
Just please don't say you love me	Doesn't (6) my heart stops skipping
'Cause I might not say it back	When you look at me like that
Doesn't mean my heart stops skipping	There's no need to worry when
When you look at me like that	You see just where we're at
There's no need to worry when	Just please don't say you love me
You see just (4) we're at	'Cause I might not say it back
Just please don't say you love me	Please don't say you love me
'Cause I might not say it back	'Cause I (7) not say it back
Heavy words are hard to take	Doesn't (8) my (9) stops skipping
Under pressure precious things can break	When you look at me like that
And how we feel is hard to fake	There's no (10) to worry when
So let's not give the game away	You see just where we're at
Just please don't say you love me	Just please don't say you love me
'Cause I might not say it back	'Cause I might not say it back
Doesn't mean my heart stops skipping	Just please don't say you love me
When you look at me (5) that	'Cause I might not say it back
There's no need to worry when
