Please Don't Say You Love Me by Gabrielle Aplin

Summer comes and winter rades	Cause I might not say it back
Here we are just the same	Fools rush in
Don't need pressure, don't need change	And I've (18) fooled before
Let's not (1) the (2) away	This (19) I'm gonna (20) it down
There used to be an empty space	'Cause I think this could be more
A photograph without a face	The (21) I'm looking for
But with (3) presence and (4) grace	Just (22) don't say you love me
Everything (5) into place	'Cause I (23) not say it back
Just (6) don't say you love me	Doesn't mean my (24) (25)
'Cause I might not say it back	skipping
Doesn't mean my (7) stops skipping	When you look at me (26) that
When you look at me like that	There's no (27) to worry when
There's no need to worry when	You see just where we're at
You see just where we're at	Just please don't say you love me
Just (8) don't say you love me	'Cause I might not say it back
'Cause I (9) not say it back	Please don't say you love me
Heavy (10) are (11) to take	'Cause I might not say it back
Under pressure precious things can break	Doesn't mean my heart stops skipping
And how we (12) is hard to fake	When you (28) at me like that
So let's not give the game away	There's no (29) to worry when
Just (13) don't say you love me	You see just where we're at
'Cause I (14) not say it back	Just please don't say you love me
Doesn't mean my heart (15) skipping	'Cause I might not say it back
When you look at me like that	Just please don't say you love me
There's no need to (16) when	'Cause I might not say it back
You see just where we're at	
Just (17) don't say you love me
