

Fill in the gaps

There's still a little bit of (1) taste	I long to hear
In my mouth	You step a (16) to me
There's (2) a little bit of you laced	So close that I can't see what's (18) on
With my doubt	Stones (19) me to fly
It's still a (3) hard to say	Love, it taught me to lie
What's (4) on	Life, it taught me to die
There's still a (5) bit of your ghost	So it's not hard to fall
Your weakness	When you float like a cannon
There's still a little bit of (6) face	Stones (20) me to fly
I haven't kissed	And love taught me to cry
You (7) a little (8) each day	So come on courage
That I can't say what's going on	Teach me to be shy
Stones (9) me to fly	'Cause it's not (21) to fall
Love, it (10) me to lie	And I don't wanna (22) her
Life, it taught me to die	It's not (23) to fall
So it's not hard to fall	And I don't (24) lose
When you (11) (12) a cannonball	It's not hard to grow
There's (13) a little bit of (14) song	When you know (25) you (26) don't
In my ear	know
There's (15) a little bit of your words
