

Fill in the gaps

There's still a little bit of (1) taste
In my mouth
There's still a little bit of you laced
With my doubt
It's still a little (2) to say
What's going on
There's still a little bit of (3) ghost
Your weakness
There's still a (4) bit of your face
I haven't kissed
You step a little (5) each day
You step a little (5) each day That I can't say what's going on
That I can't say what's going on
That I can't say what's going on Stones (6) me to fly
That I can't say what's going on Stones (6) me to fly Love, it taught me to lie
That I can't say what's going on Stones (6) me to fly Love, it taught me to lie Life, it taught me to die
That I can't say what's going on Stones (6) me to fly Love, it taught me to lie Life, it taught me to die So it's not hard to fall
That I can't say what's going on Stones (6) me to fly Love, it taught me to lie Life, it taught me to die So it's not hard to fall When you float like a cannonball

I (7) to hear
You step a (8) closer to me
So close that I can't see what's going on
Stones taught me to fly
Love, it (9) me to lie
Life, it taught me to die
So it's not hard to fall
When you float like a cannon
Stones taught me to fly
And love taught me to cry
So come on courage
Teach me to be shy
'Cause it's not hard to fall
And I don't wanna scare her
It's not (10) to fall
And I don't wanna lose
It's not hard to grow
When you know that you just don't know
